

TRAVEL TO THE SBC BINDERY

BY CAR: navigate to Nickel Close, which is opposite the two entrances accessing the site (see the Site plan). On site parking is shared with our neighbours and is limited. The south entrance is preferred; ask at the bindery for advice on the day.

BY BUS: The site is a ten-minute walk from the Bus Station (leave by the rear exit into Friarsgate). The nearest bus stop to the bindery is at the Firmstone Rd/Garbett Rd Junction, served by the Stagecoach No 1 from the Bus Station (walk through the footpath to Ebden Rd). A number of services including the South Park & Ride buses call at the stop in North Walls and will bring you from the Rail Station. Note that the driver will appreciate it if you press the bell soon after you pass the traffic signals at the West end of North Walls. The bus stop in the Broadway opposite the Bus Station is a 7 minute journey from the Eastern P&Rs. For more details see the bus map on the next page.

PARKING IN THE CITY

Offsite parking is indicated on the map in grey and is only likely to be necessary on weekdays. The large area behind Ebden Road has uncontrolled residential parking, usually with vacant spaces on working days. The nearest municipal parking in Durgate Place (opposite the Willow Tree pub) and at the Chesil Street Long-stay are seldom full on weekdays and cost from £1.30 - £7. There are Park and Ride car parks near Junction 10 of the M3 (The Eastern P&Rs, shown at the bottom of the map) and near Junction 11 (the Southern P&R, not shown) where you pay £3 for a full day's parking and return tickets into the City. The journey to the North Walls stop takes about 16 minutes from the Southern P&R and to the Broadway from the Eastern P&Rs about 7 minutes. Note that the police and fire stations shown in both of the maps in this document have since been demolished or replaced
